Dear Sir,

Subject: **INTRODUCTION OF ZINGA METALL**

This has reference to your letter ref. KBOG/1101/DR dated 02 Nov. 99, introducing M/S. ZINGA METALL and their products.

We do not maintain an Approved List of Manufacturers for "Hot Dip Galvanizing".

However, we have no objection in using "ZINGA" Galvanized Coating System for steelwork in our projects as an alternative wherever Hot Dip Galvanizing is not feasible or practical.

Sincerely,

For Kuwait Oil Company

Ahmad Hajji
