

## MAERSK SEALAND – TAIWAN

Since 1999 **ZINGA** has been used by **CONSTAR HOLDINGS**, the affiliate company and repair shop of **MAERSK SEALAND** in Taiwan. **ZINGA** was introduced to them through the head quarters of **MAERSK** in Denmark, AP Møller.

**ZINGA** has been applied on containers, tanks and other steel structures.

On 12-10-2000 Zingametall received a testimonial from the Danish **AP Møller** Head Office concerning the good results obtained by the repair workshop of Taiwan with **ZINGA**.

On 13-04-2001 the **ZINGA** distributor in Taiwan, Sincere Bidder, received a letter from the company **MAERSK SEALAND**, expressing their satisfaction about the perfect results of **ZINGA** on gearboxes, steel containers and tanks.

Att. Mr Guy Willemot,

Re. Your Zinga paint.

Dear Mr Willemot,  
Confirm receipt of your English brochure.

As you know well we have used your Zinga product for refurbishment of a number of tanks with good result. I talked to our repairshop in Taiwan today and they would be pleased to continue to use said product.

Best regards  
for A. P. M O L L E R
