

MAERSK SEALAND – TAIWAN

Vanaf 1999 werd **ZINGA** gebruikt door **CONSTAR HOLDINGS**, het filiaal en het herstellatelier van **MAERSK SEALAND** in Taiwan. **ZINGA** werd door het hoofdkwartier van **MAERSK** in Denemarken, **AP Møller**, bij hen geïntroduceerd. **ZINGA** werd aangebracht op containers, tanks en andere stalen constructies.

Op 12-10-2000 ontving Zingametall een aanbevelingsbrief van het Deens hoofdkwartier **AP Møller**, betreffende de goede resultaten verkregen met **ZINGA** in hun herstellatelier in Taiwan.

Op 13-04-2001 ontving de **ZINGA** distributeur van Taiwan, Sincere Bidder, een aanbevelingsbrief van **MAERSK SEALAND** waarin ze hun tevredenheid over de uitstekende resultaten van **ZINGA** op tandwielkasten, stalen containers en tanks uitdrukken.

Att. Mr Guy Willemot,

Re. Your Zinga paint.

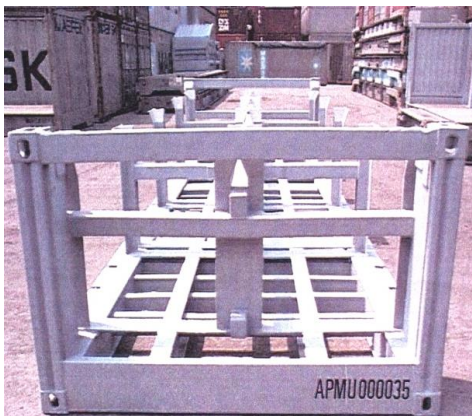

Dear Mr Willemot,
Confirm receipt of your English brochure.

As you know well we have used your Zinga product for refurbishment of a number of tanks with good result. I talked to our repairshop in Taiwan today and they would be pleased to continue to use said product.
