

AIRCO STRUCTURES – AIA GROUP – THAILAND

The customer, **AIA Group**, is a leading life insurance organization in the Asia-Pacific region and can trace its roots in this region back more than 90 years. It provides individuals and businesses with products and services for life insurance, retirement planning, accident and health insurance as well as wealth management solutions.

At the end of 2011, the air-conditioning system on top of the **AIA Tower** in Bangkok was re-galvanized using **ZINGA**.

For aesthetical reasons, the **ZINGA** was overcoated with a sealer (**ZINGALUFER**) and a topcoat.

System:

Surface preparation:

Wet blasting and machine cleaning to ST3

ZINGA

1 x 80 µm DFT

(by brush & roller)

ZINGALUFER

1 x 40 µm DFT

Local topcoat

2 x 40 µm DFT
