

## GRAIN SILOS “NADOR CÉRÉALES” - MOROCCO

In 2011, 6 grain silos (close to the sea front) from **NADOR CÉRÉALES** were protected with **ZINGA**. The application of the **ZINGA** system was done by ‘**ZINGA 4 STEEL**’.  
The local economy of Nador is mainly dependent upon the fishery and agriculture industry.

### Surface preparation:

Old not corroded hot-dip  
high pressure washing at 200 bar

### System:

ZINGA 1 x 100 µm DFT
