Dear Mr. Willemot,

We have the great pleasure to inform you that during the 59th International Technical Fair 2003, the product: **ZINGA** with Producer: **ZINGAMETALL**. and exhibitor: **NOVOSTROY ENGINEERING**, win the **Golden Medal** and **Honorary Diploma** for quality and approved in the practice material.

The International Fair – Plovdiv with it's 110 years of activities is the largest fair in the Balkans and the only fair organizing company in Bulgaria admitted as a member of the Union of International Fairs (UFI). Six of its events including the International Technical Fair have fulfilled the high criteria and have been approved by UFI.

This year the International Fair – Plovdiv beats the record of the decade, with participating companies number 2619 from 42 countries.

During the award ceremony we have the honour to receive the Golden Medal and Honorary diploma personally from Deputy Primer Minister and Minister for Foreign Affairs Solomon Passi.

We are proud that Zinga received this sign of quality, and we expect that this will enlarge the popularity not only in Bulgaria.

Best Regards
Novostroy Engineering
